HAIR RESTORATIVE

It has worked Miracles.

THAT all Bald and Grey can be restored to original growth and color as their locks are concerned does not admit doubt; besides it will cure every possible case of the scalp, whether developed as dandruff, itching or in the shape of cutaneous eruptions.

Gloves—even scaldhead—and in no possible will it fail of curing as if by magic, neuralgic periodical headache, and if used twice a day by the young regularly, it will preserve color and keep the hair from falling, to imaginable age. Read and judge.

PROFESSOR WOOD—

DEAR SIR: I take pleasure in bearing
 testimony to the excellence of your
 Restorative. Three months ago my hair
 was very grey. It is now a dark brown, (the
 natural color) smooth and glossy. The only
 reason I have made to it has been the Res-

 used in my own case, I most cordially
 recommend to others.

PROF. WOOD: As you are about to purchase and vend your recently discovered Hair Restorative, and as you request my opinion on it, I will state, that my hair was, a few months very gray, and after using two bottles of Hair Restorative it resumed its original color, and since its application all dandruff has disappeared from my head, and I have been freed from all disagreeable itching of the scalp.

I am satisfied that those who use it, will regret it, as it gives the appearance of hair which has been recently oiled. I am prepared to recommend its use to all who are desirous of having a beautiful head of hair.
